

To Whom It May Concern,

This is to certify that I, the undersigned, have thoroughly reviewed and verified that all the required documents related to the project titled:

"Early detection of Autism spectrum disorder using EEG Techniques "

have been successfully uploaded to the designated GitHub repository.

- **GitHub Repository URL:** <https://github.com/Nuha-Aamir/Early-Detection-Of-Autism-Spectrum-Disorder-Using-EEG-Techniques>
- **Team/Student Name(s):** Nuha Aamir, Rubbaishe, Mujtaba khan
- **Department:** [Department of Computing, FEST](#)
- **Institution:** [Hamdard University](#)

The uploaded materials include (but are not limited to):

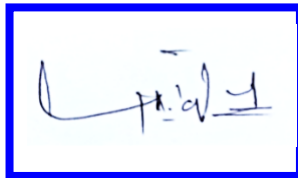

- Project source code
- Project report/documentation (Proposal/Research paper/Report/Test Report)
- Presentation slides
- Dataset(s) (if applicable)
- Poster/Video of Demo
- Link of our published review paper

I confirm that the submission complies with the documentation requirements outlined for this project/course and is accessible on the mentioned repository.

This certificate is issued for record-keeping and official use as part of the project evaluation or academic requirements.

Supervisor Name: Saad Akbar

Designation: [Assistant Professor](#)

A handwritten signature in blue ink, enclosed in a blue rectangular box. The signature appears to be 'Saad Akbar'.

Signature (Compulsory):

Date: [6/07/2025](#)
